NASW MEMBER BENEFIT – FREE LIVE SESSIONS

- 4) When you have successfully logged in – your profile page will open.
- 5) To register for the course, go to catalog tab on the top navigation bar

The screenshot shows the Professional Education & Training Center website. At the top, there is a logo with the text "Professional Education & Training Center" and several colorful icons representing different aspects of education and training. Below the logo is a navigation bar with the following tabs: "My Profile", "Catalog", "My Material", and "Reports". The "Catalog" tab is circled in red. To the right of the navigation bar, there is a "Welcome" message followed by a blacked-out name, and links for "Contact Us", "FAQ", "Help", "Logout", and a shopping cart icon. Below the navigation bar, there are several sections: "My Schedule" with an "Export Schedule" link, "Announcements & Web-Conferences" with "All Announcements", "Communities" with "All Communities", and "Twitter".

6) To quickly locate a specific course – type in the keyword search box – in this case we are using “DSM”

Click on **Search**

The screenshot shows the Professional Education & Training Center website. At the top, there is a navigation bar with links for "My Profile", "Catalog", "My Material", and "Reports". A search box contains the text "DSM" and a "Search" button. Below the search box, there is a list of requirements for participating in e-learning, including updated browsers, high-speed internet, and Adobe PDF Reader, QuickTime, and Adobe Flash Player. A "Remove cover flow" button is visible in the top right corner. The main content area displays the title "A Piece of the Trauma Puzzle: The Trauma of a Life-Threatening Illness" with a corresponding image.

In order to participate in e-learning, disable all pop-up blockers as course materials will appear in a separate window or browser tab. Your technology must be equipped with:

- Updated browsers - the PETC software is configured for any of the following: Google Chrome, Internet Explorer 7+, Firefox 3.5 +, and Safari 4+
- High Speed Internet Connection - broadband or wireless
- **Adobe PDF Reader** - for slides, handouts, and CE Certificates
- Current versions of **QuickTime** and **Adobe Flash Player** - for audio/video courses

If you need specific information on how to adjust your computer settings, please see the **FAQ** section above.
